Coming Together
is a beginning
Keeping Together
is a progress
Working Together
is a Success .....

As you journey
forth,
In search of new
horizons,
Be sure to keep
your wits about you,
Your sense of humor
handy,
Your judgement keen
Your faith constant
And you will surely find
That the goals for which
you strive
Are easily within your grasp.

The Power Behind The Throne

Friendship makes life more complicated, but there is no other way to be fully human. Sometimes, with your emphasis on self-development, you can lose sight of that basic emotional fact. And so, whether you like it or not, if you want to promote your humanness, you must allow at least one other person to enter your life.

If a man does not keep pace with his companions,
perhaps it is because he hears a different drummer.
Let him step to the music he hears, however

The way to be happy is to make others happy.
Helping others is the secret of all success—
in business, in the arts and in the home.

You can taste the care.

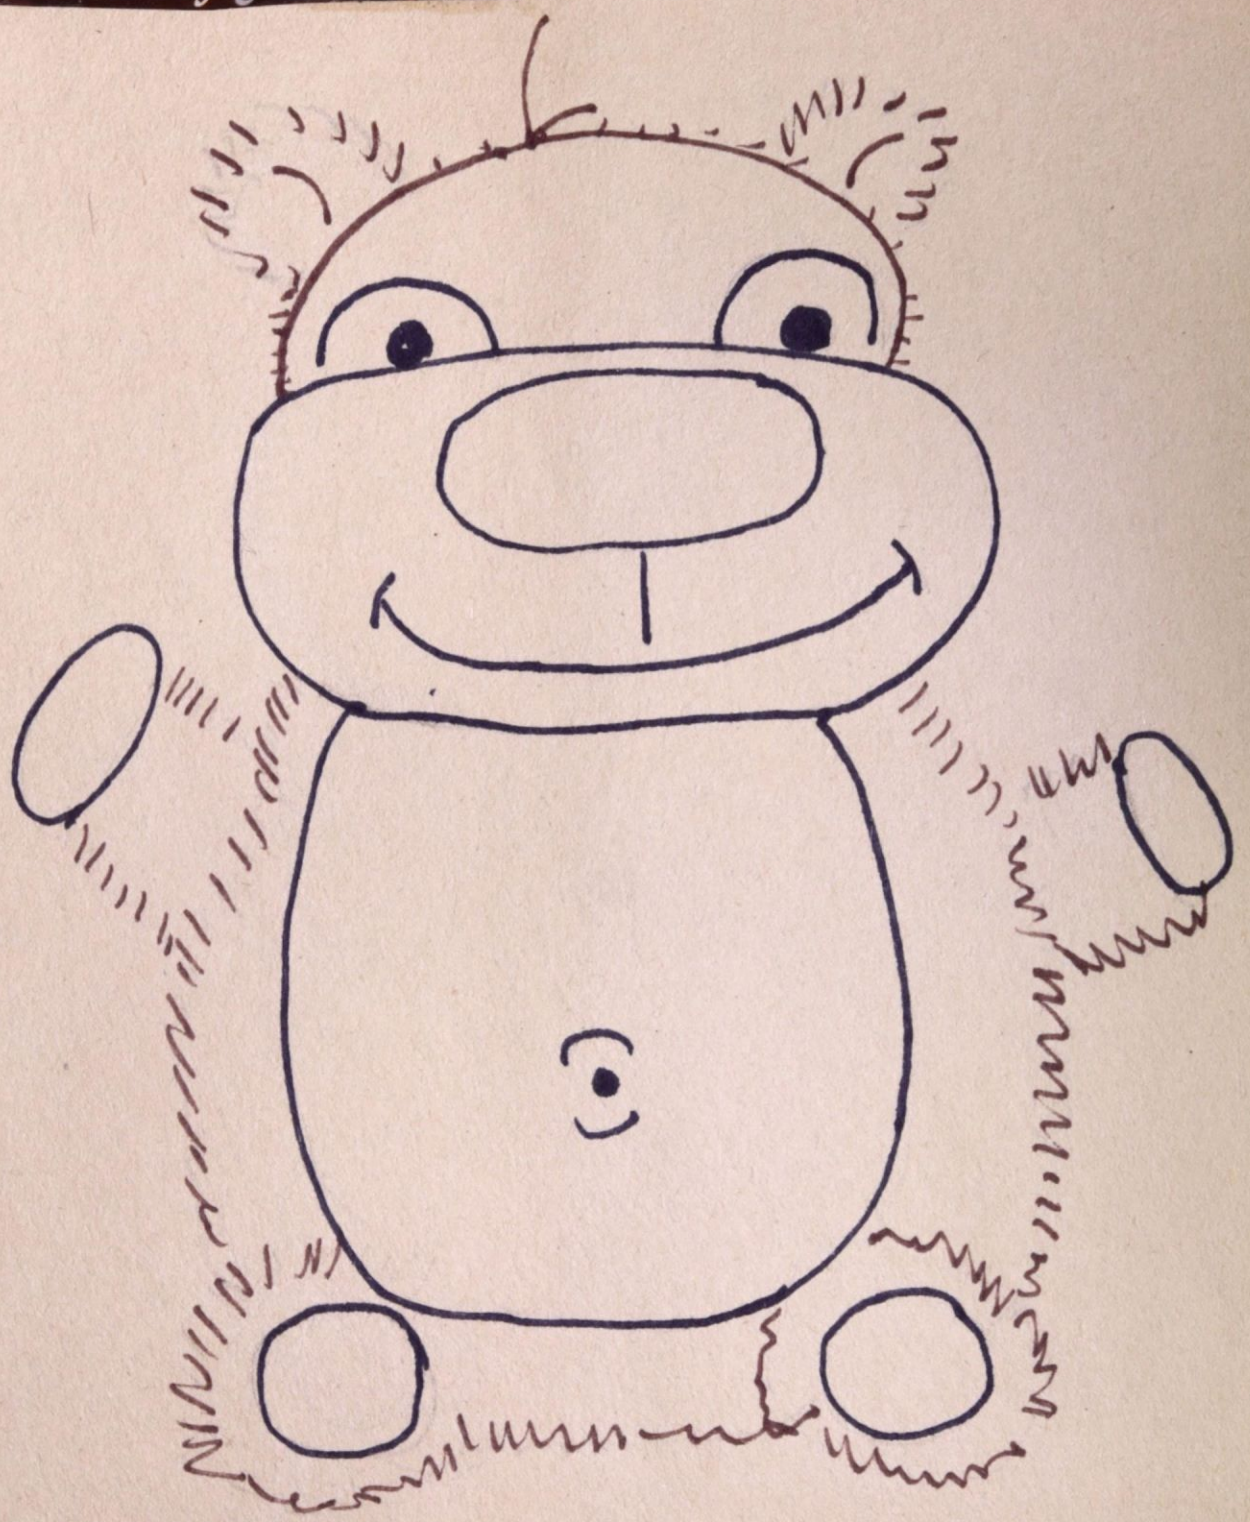
In friendship
let there
be laughter
and sharing
of pleasures.

Celebrate the moments of your life



STILL LIFE IN BLOOM.

Joy is not in things, It is in US!

Now that we are
going our separate
ways
I realize how much
you mean to me.
I have learned alot
from being your
friend

I may not see you
much anymore
But the memory
of our friendship
will help me through
the rest of my life.

Michelle Johnston

People
so seldom
say I love you
and then
it's either too late
or love goes.
So when I tell you
I love you
it doesn't mean
I know you'll
never go...
only that
I wish you
didn't have
to.

No goal is to high if we climb with care and confidence.

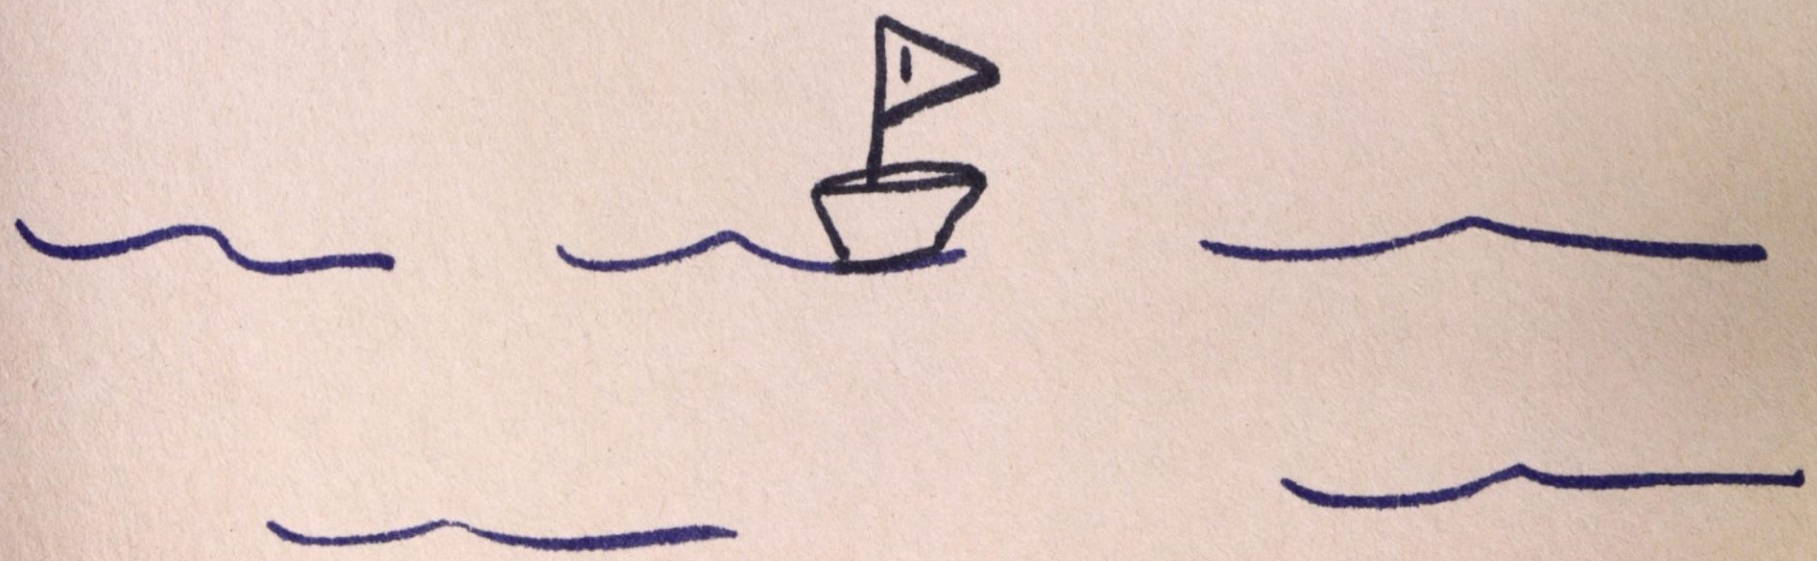
IT'S THE BEST.

BUT IT KEEPS GETTING BETTER.

You are led
through your lifetime
by the inner learning creature,
the playful spiritual being
that is your real self.

Don't turn away
From possible futures
before your certain you don't have
anything to learn from them.

You're always free
to change your mind and
choose a different future, or
a different past.....



"Tis the Season to be Jolly"

Your Night to Shine

WHEN YOU SPEAK WITH YOUR EYES,

It is not how much we have, but how much we enjoy, that makes happiness.

Those who love us
let us find our
own way.
